

The **CIRCUIT MANDINGUE**, is the circuit of West African festivals, created to optimize cooperation and collaboration between the organizers of four (4) major cultural events. They share a common vision to lay the foundations for professionalisation and sustainability of festivals in West Africa, through:

- Artists Exchange through the Circuit Touring
- Experience sharing
- Capacity building
- Development of social cohesion and the local economy of the territories of secondary cities in West Africa through a sub-regional dynamic cultural and artistic cooperation

MASA is a biennial market of African Performing Arts. It's goal is to support the creation and production of quality shows, to facilitate the mobility of artists and their production in Africa and around the world, to train artists and operators of the performing arts production line and to develop the sector of performing arts (Music, Theatre and Dance) in the African Continent.
